

Hepatitis B claims the life of one person every 30 seconds.
It is estimated one in 10 people of Asian Pacific Islander descent do not know they are infected.

The first step is knowing, so get tested.

Be Tested Be Vaccinated Be Treated

The best place to be tested is at your doctor's office or clinic.

This campaign is supported by Mayor Gavin Newsom and Assemblywoman Fiona Ma

"Interpreters available at each site"

San Francisco HEP B FREE testing sites
