

# San Francisco Hep B Free

*First city in the U.S. to test and vaccinate all Asian and Pacific Islanders for hepatitis B*

---

## Model Release and Consent Agreement

1. For valuable consideration, the adequacy of which is acknowledged, for your photographing me, and knowing you have and will expend substantial expenses and time in reliance upon this Release and Consent, I irrevocably and absolutely consent to the unrestricted use by the San Francisco Hep B Free Campaign (“SFHBF”) and its/his successors, assigns, and designees (“Photographers”), and those acting with Photographers’ permission and authority, of my name and any and all photographic or other images (“Images”) of me, including any Images that the Photographers create or make, for all purposes, in any form, and in any and all media, including without limitation, advertising, solicitation, or trade.
2. I waive any right to inspect or approve the finished Images, advertising copy, text, or other printed matter that may be used in conjunction therewith, or to the eventual use that the Images may be applied.
3. I release and discharge SFHBF and Photographers and those acting under their authority from any and all liabilities, claims and demands arising out of or relating to any blurring, distortion, or alteration whether intentional or otherwise, that may occur or be produced in connection with the Images, or in connection with any processing, alteration, transmission, display, publication or other use of the images.
4. I understand and agree that this document constitutes the sole, complete and exclusive agreement between SFHBF, the Photographers and me regarding the Images, and I am not relying on any other representation whether oral or written. This Agreement shall be governed by and construed in accordance with the laws of the United States and the State of California.
