

San Francisco Hep B Free

First city in the U.S. to test and vaccinate all Asian and Pacific Islanders for HBV

Clinician's Honor Roll Pledge

Join the challenge to eliminate hepatitis B!!

The San Francisco Hep B Free Clinician's Honor Roll will be widely publicized among peers, patients, and the general public on a regular basis in publications such as the San Francisco Medical Society Magazine, mainstream news outlets, digital media, and ethnic media. A goal of the SF Hep B Free Campaign is to make hepatitis B screening standard of care for susceptible populations, within the primary care setting, and among other physicians such as obstetricians and gynecologists with responsibilities under the CDC national recommendations.

Your pledge will go a long way toward the elimination of transmission of hepatitis B and the prevention of liver cancer. For information on the San Francisco Hep B Free campaign, visit sfhepbfree.org.
